Item #3 28 Columbus Avenue New Sign

Vincent Oddo of San Signs, representing Garden Sushi, proposed two signs. One sign to be placed in front of the restaurant above the door and the second sign to be placed on the side façade facing the street. Chairwoman Ciaramella noted that the proposed sign was not acceptable because it appeared that the lettering and painting is not done of a professional quality. It appears to have been done over the signs that were advertising the prior business. Chairwoman Ciaramella suggested that Mr. Oddo go back to his client and redesign the sign so it will be consistent with the rest of the signs in the area, a wood sign with vinyl lettering, coloring to be the same as the other signs in the area.

The next meeting will be held on Tuesday, April 20th at 2:30pm

There being no further comments from the public or business before the Board, upon motion duly made, seconded and unanimously carried, the meeting was adjourned at 3:05 pm.
