Item #2 69 Main Street

Window sign and Monument

Dr. Peter Zheng, representing “Wellness and Skincare” presented a revised rendering of the window sign and the monument sign. Dr. Zheng was undecided if the signs he was presenting was actually the signs he wanted to get approvals for. He asked the board for suggestions. There was discussion regarding the possibility of omitting some of the wording. Dr. Zheng asked if the board could approve the first five lines of the window sign and then return if he decides to add additional wordings. Chairwoman Nieminen suggested to Dr. Zheng to decide how he would like his window sign to look and return with a new rendering.

Dr. Zheng also presented a monument sign. It was noted that he had added additional information on the monument sign. There was discussion regarding the amount of information being placed on the monument sign and if some of the information can be omitted. Dr. Zheng was advised to return next month with a new rendering of the monument sign.

Member Gorman made a motion to approve window sign “Wellness and Skin Care” “Medical Spa” “Anti-Ageing Center” “phone number” “WellnessAndSkinCareUSA.com” and to add website on the left side window, “comprehensivepainny.com”. Member Campanile seconded the motion and was unanimously carried by the board with a vote 3-0.

The applicant will return next month with revised drawings.

The next meeting will be held on Monday, June 20, 2016 at 2:30pm.

There being no further comments from the public or business before the Board, upon motion duly made, seconded and unanimously carried, the meeting was adjourned at 3:00pm.
